MEMORANDUM FOR THE RECORD

SUBJECT: Geographic Specialist Teams

1. The attached memorandum to the Department of the Army
is in response to an informal request by Lt. Col. Ciccolo (Team
Commander for [REDACTED] Geographic Team) and Lt. Col. Carmody
(Chief, Resources Control Section of the Director of Foreign
Intelligence/Resources Division) for CIA support in obtaining
State Department permission to place a Team in [REDACTED]
Approval seemed assured until the request reached the Deputy
Assistant Director for Latin American Affairs. An appeal is to
be made 13 October 1967 through the Army liaison officer in State.

2. During my discussion with the above officers,
arrangements were made for OBGI to receive a composite list of
all Geographic Team reports. Moreover, the door was opened
for possible participation on our part in determining country
placement of future teams.

3. Also attached is a brief on the Geographic Teams.
